### Who's it for?

Any young person wanting to go deeper in their walk with Jesus Christ. One2Lead is about equipping 16-25 year olds to know Him better and make Him known to others.

### Why take part?

A highly regarded course with many going on to further theological study or overseas mission. At the end of this course students should be more confident in their relationship with Jesus and equipped to be fruitful and faith filled leaders.

### Where could it take me?

One2Lead graduates have gone onto Bible colleges, universities, Christian ministry and active involvement in local churches. Graduates have also gone on to Counties Training, Evangelism and Mission gap year programme.

### What happens on the weekend?

Each weekend there is practical and interactive teaching on theology and personal growth. In addition, there are

sessions for encouragement and time to reflect on how faith relates to current topics in today's society. As well as the main activity on Saturday afternoon, there is plenty of time to have tea, cake, chill out and play games with new friends.

**Personal Development:** *Understanding Myself, Understanding our world, Being a Disciple, Relationships, Sharing Faith, Introduction to Leadership.*
